Washington State Department of Health  
243 Israel Road Southeast, Tumwater Washington 98501

## Lead Sample Collection Information

**DISCLAIMER:** Results posted here only represent testing done by the Washington State Department of Health for the 2018-19 lead in school drinking water program. Schools have been provided these results, along with recommendations for remediation if applicable. Please contact your school to find out more about this and other testing they may have done, as well as plans for remediation.

Please note: The school district is participating in follow up testing and is following recommendations to reduce children's overall exposure to lead.

**School District:** NorthMason

**School Name:** Belfair Elementary School

**School Code:** 2663

**School Address:** NE 22900 Hwy 3, Belfair Washington 98528

**Number of Samples Collected:** 4
