Lead Sample Collection Information

DISCLAIMER: Results posted here only represent testing done by the Washington State Department of Health for the 2018-19 lead in school drinking water program. Schools have been provided these results, along with recommendations for remediation if applicable. Please contact your school to find out more about this and other testing they may have done, as well as plans for remediation.

Please Note: The school is following all recommended remediation to help reduce children's exposure to lead in drinking water.
